**VINEYARDS**

Pepi Pinot Grigio was produced as a blend of grapes from the Monterey and Sacramento Delta winegrowing regions.

**WINEMAKING**

For more than forty years, Pepi has been a pioneer in California white wine. From the cool coastal vineyards of California comes lively fruit that beckons you to a picnic or a day at the beach. Our Pepi Pinot Grigio is the perfect match for the fresh foods of the spectacular coast. We strive for a balance of flavor, acidity and fruit that reflects our cool coastal vineyard sources.

**WINEMAKER'S NOTES**

Our Pinot Grigio offers fresh aromas of white flowers, pear drop and citrus. The palate is crisp, with a refreshing, clean finish. Enjoy this wine with oysters or a light seafood linguine.
