MOSCATO

WINE OF CALIFORNIA

Fresh, flirty and fragrant, Allegro Moscato is made in the tradition of classic Northern Italian Muscat wines. Using only the finest Muscat Canelli grapes, Allegro Moscato features signature notes of exotic orange blossom and honeyed peach to create a deliciously versatile wine. Serve as an apéritif, pair with your favorite foods or enjoy all by itself. Salute!

VINEYARDS

The Muscat Canelli grapes for Allegro Moscato are grown at our winery's estate vineyards near the Kings River in the San Joaquin Valley. One of the premier growing regions in the world, San Joaquin Valley's rich, fertile soils combined with the prevailing warm weather create ideal conditions for promoting fully ripened flavors in balance with good acid structure.

WINEMAKING

Allegro Moscato epitomizes Muscat Canelli's potential as one of the world's most versatile and appealing white wines. Our winemakers employ a combination of extremely cold and prematurely arrested fermentations to balance the varietal's honeyed fruit notes with clean, crisp acids – producing a wine that, while lushly flavored, is light in body and refreshing on the palate.
