

Moscato ALLEGRO

2010

Sweet Words about our 2010 Moscato Allegro

“The 2010 Moscato Allegro is a **fat sip of orange soda, honey and vanilla cream flavors; yet somehow the winemaker crafted all this into a lighter bodied wine.** Not cloying, not sticky sweet.”

– Linda Kissam, *The Wine Chix Blog*

“The 2010 Moscato Allegro is a Muscat Canelli based wine with a slight hint of golden straw color and incredibly floral and fruity aromas. **Right out of the bottle you can tell that this wine is bright and cheery and will offer you a warm weather summer sipper** that will please any white wine lover's palate.”

– Jeff Lawson, *Midwest Wine Guy*

“For a complex Moscato, try Martin Weyrich 2010 Allegro Moscato with **floral, citrus and peach aroma, a rich texture and peach and apricot flavors** combining with nice, balancing acids. **Very sweet and detectible...**”

– David Falcheck, *Scranton Times-Tribune*

“The Moscato Allegro is one of those **fragrant, easy-drinking, slightly sweet bottles of wine that you can finish before you get started.** Priced at a pocket-friendly \$12, it's a wine that won't break the bank.”

– Dezel Quillen, *My Vine Spot Blog*

“...I'm a sucker for dessert wines and I was recently intrigued by a Moscato from Martin-Weyrich out of Paso Robles, California. Made from Muscat Canelli, **this baking-spice delight also offers tropical fruit aromas and brings orange blossom, ripe apricot and pear to the tongue.**”

– Ben Weinberg, *Unfiltered Unfined*

“What distinguishes the Moscato Allegro is the acidity and low alcohol. Cold slower fermentation helps add nice aromatics...In the mouth it is **lush, and just slightly effervescent.** The acidity combines with the relatively high residual sugar for a well done combination that never comes across as sugary or cloying. Whether it was luck or design, the result is solid nonetheless... 88 Points.”

– William Allen, *Simple Hedonisms*

“Overall, the friendly enjoyable experience rates three out of five stars. **It receives a best value rating given its bargain price.**”

– Ray Jordan, *Spirit of Wine*
