

CAMELOT

VINEYARDS & WINERY

BRAND ESSENCE

Noble wines of great character and quality, Camelot wines bring out the best in food, friends, and special occasions.

BRAND OVERVIEW

Our wines are inspired by the legend of Camelot, one of honor, nobility and character. Camelot wines are a great value and bring out the best in food, friends and special occasions. Established in 1993, Camelot has earned its reputation as being a wine with character, dependable quality and consistent taste. The core varieties of Chardonnay, Pinot Grigio, Merlot, Pinot Noir and Cabernet Sauvignon are aimed at traditional wine enthusiasts who know what they like and come back for more.

WINEMAKING

We know California's viticultural regions inside and out, from the Central Coast, with its alluvial soils and marine-influenced microclimates, to the warm, hilly expanses of the historic Sierra Foothills Gold Country, and we have built relationships with wine growers that have stood the test of time. We have worked with growers in these areas for a generation, and have selected each region for its best grape varieties. We then source fruit from outstanding vineyards in each appellation to craft wines that consistently over-deliver on quality.

Our Camelot Chardonnay displays notes of peach and marshmallow with creamy oak tones that add to this wine's complexity. Pair it with roast chicken or your favorite cream sauce pasta. Our red wine portfolio includes a Pinot Noir, Merlot and Cabernet Sauvignon. Each of our red wines is fermented in stainless steel tanks, with different levels of aging in French and American oak to soften and enrich their unique flavors. Our luscious Pinot Noir reveals a complex bouquet of strawberry and spiced orange, while our Merlot displays rich notes of smoky oak with cherry and dark fruit flavors. A richer wine in the portfolio, our Cabernet Sauvignon possesses black cherry and ripe fruit that are supported by refined tannins to create a long, elegant finish. Priced at \$7.00, Camelot is the perfect wine to enhance your special occasion.
