

CAMELOT

VINEYARDS & WINERY

ACCOLADES

CHARDONNAY

"Hint of oak, flavors of sweet peaches, soft acids, good with seafood, chicken."

- FRED TASKER, MIAMI HERALD

"The Chardonnay has decent length and a nice finish. It tastes better than the price indicates; what you might expect from a \$12-\$15 bottle. Very good acidity, with bold fruit and subtle oak. It paired well with tenderloin of pork and mashed potatoes with gravy."

- LISA CARLEY, NY WINE EXAMINER

"Surprisingly fresh aromas of peach and citrus, with a dollop of cream. Smooth and creamy in the mouth, with enough juicy acidity to balance the sweetness. All in all, a clean, pleasing white at a bargain price. 84 points."

- GLEN FREDERIKSEN, WINE ONLINE

"This wine spent time in both stainless steel and oak. It had the best of both worlds. Loaded with bold fruit flavors."

- THE FRUGAL TASTERS

"All in all, the Camelot Chardonnay is a perfectly inoffensive, sluggable bottle of wine. I could see it as a crowdpleaser at a casual party or some such. My expectations were exceeded, honestly."

- MIKE ROSENBERG, THE NAKED VINE

PINOT NOIR

"Aromas and flavors of red raspberries and citrus, light-bodied, soft, a good red-wine-with-fish wine."

- FRED TASKER, MIAMI HERALD

"Light bodied in a pleasant way. All of that said, it also competes with many of the \$10-\$15 Pinots I've had from different parts of the world."

- LISA CARLEY, NY WINE EXAMINER

"I'm happy to report that this Pinot was very enjoyable. It is definitely a lighter style Pinot but it had all the elements to make it a quality wine. This fresh and lively Pinot did not disappoint."

- THE FRUGAL TASTERS

"The Pinot Noir way over delivers for the price, seeing some aging in French and American oak. It is true to varietal character and brimming with red cherry, plum and cola notes."

- SANDRA SILFVEN, THE DETROIT NEWS

CABERNET SAUVIGNON

"Black plum aromas and flavors, soft, good with burgers, meatloaf."

- FRED TASKER, MIAMI HERALD

"This cab is great wine for every day drinking! Great fruit on the nose. 3 Swirls."

- KIM KOLB, WINEY WOMEN

"Typical of the variety in a price point that's double the \$7 suggested retail price."

- LISA CARLEY, NY WINE EXAMINER

"...a pretty nice Cabernet in a lighter style. Slightly herbal overtones with predominant blackberry and cherry flavors. Good value."

- DAN CLARKE, TASTE CALIFORNIA TRAVEL

MERLOT

"Hint of oak, flavors of black cherries and pepper, soft and smooth, good with red-sauced pastas, pizza."

- FRED TASKER, MIAMI HERALD

"Typical of the variety in a price point that's double the \$7 suggested retail price."

- LISA CARLEY, NY WINE EXAMINER

"Sweet aromas of dusty cherry and milk chocolate play off of darker berry fruits and a bright note of herbs. The wine has a light palate presence, with moderate tannins. An easy-drinking red at a great everyday price. 84 points."

- GLEN FREDERIKSEN, WINE LINES

"What a seductive Merlot this was! Smoky, herbaceous, dark fruit, and spice. Such a mysterious Merlot with impressive complexity."

- THE FRUGAL TASTERS
