

~CLOUD BREAK~

Red Blend

CALIFORNIA • BARREL RESERVE

Awash in darkness, brooding and enveloping, Black Cloud conjures up the intensely rich and concentrated flavors borne of our fog shrouded vines. Inky in the glass and satiny on the palate, Black Cloud Red Blend stands up to boldly flavored foods and provides a silver lining to stormy nights.

TASTING NOTES

Our 2015 Black Cloud is a proprietary Red blend featuring Petite Sirah, Ruby Cabernet and Syrah. This wine offers concentrated aromas of raspberry jam, black cherries and vanilla. The palate offers sweet red fruit and velvety tannins with a smooth finish.
